One Voice Can Create a Ripple That Changes the World

About Suzi

Suzi Dent is an international speaker whose powerful storytelling inspires audiences to embrace change, find their voice and believe that their best chapter may still be ahead.

Featured across international television, documentaries and media, Suzi combines warmth, authenticity, humour and lived experience to create keynote presentations that leave audiences inspired long after the event has ended.

Signature keynotes

The Ripple Effect: One Voice Can Create a Ripple That Changes The World

How One Courageous Decision Can Inspire Change in Individuals, Workplaces and Communities.

Ageing Without Apology

Why Your Best Chapter Might Still Be Ahead - a refreshing keynote challenging outdated beliefs about ageing while inspiring confidence, reinvention and possibility.

When Life Whispers

The Courage to Say Yes Before You're Ready - how recognising life's unexpected opportunities can transform confidence, purpose and the direction of your life.

Featured by

ABC • Amazon Prime • ITVX • Paramount+ • Sunrise •
Good Morning Britain • Marie Claire • The Project

Audience leaves with

- Greater confidence to embrace change.
- Practical inspiration they can apply immediately.
- A renewed belief in what's possible.
- Permission to begin their next chapter.
- The courage to use their voice and create positive change
